# February

February 3<sup>rd</sup>- 7<sup>th</sup>

## What we're learning...

This week we started learning about ocean animals, the color pink and the hearts! We made coffee filter sea turtles, shark puppets and played in a giant shark tent! We worked on improving our fine motor skills by adding beads to our jellyfish tentacles (pipe cleaners). On Thursday, Miss Kayla came and we danced to *Baby Shark*! We also practiced one of our favorites, *The Chicken Dance*!

On Friday, we had our field trip to the Niagara Falls Aquarium! We got to see penguins and sea lions! The kiddos also really loved playing in the water at the touch tank!

## Important Dates

February 13<sup>th</sup> and 14<sup>th</sup> – Valentine's Day parties (we have 15 kiddos in our class)

February 17<sup>th</sup>-Presidents Day  
No School

## Classroom Reminders

February family projects are due back by Wednesday, February 12<sup>th</sup>.

Online scholastic orders are due by Monday, February 24<sup>th</sup>.
