

Pre-K 4 Awesome News!

June 9th-13th

This Week

We had an awesome week learning about the letters "V", "W", "X", "Y", and "Z". This week we read the stories: Vera Viper's Valentine, Worm's Wagon, Surprise for X-ray Fish, The Yak Who Yelled Yuck, and Zak the Lazy Zebra. After we read each song, the kiddos enjoyed reading our letter cheer and singing along to the letter sound songs.

During circle time this week, we learned about rockets, astronauts and aliens. We read many stories about taking adventures in space and all the cool things we would see if we had the chance to go. During craft time, we designed our own rocket ships, created aliens out of pool noodles and completed a sticker mat of outer space.

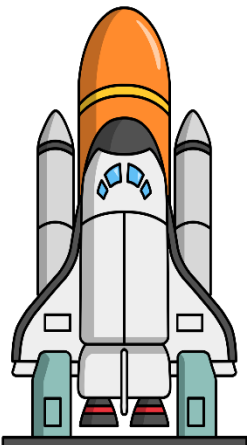

This week we had our last round of specials. On Monday, Miss Katie came in to sing and dance to all her space songs with us. Miss Erika came in for our last Kiddosizing class and threw us a fun beach party full of dancing, songs and even got us all our own beach ball. On Wednesday, Miss Fran stopped by to take us on an adventure in space where we worked together to blast off to space, float around the universe and return to Earth on our own imaginary rocket ship.

On Friday, we celebrated all of our awesome dads. Thank you to everyone for coming out and working hard to complete a craft with your kiddos! We had so much fun!

Happy Father's Day!!

Looking Ahead

We will be reviewing what we have learned all year!

Looking Ahead

June 17th
2/3 Year Old Moving
Up Day
NO AFTER SCHOOL

June 18th
PreK 4 Graduation
