### What we're learning...

We had so much fun on the field trip on Monday to Play University! Thank you again to all the chaperones!

This week we continued learning about community helpers!

We learned about construction workers, veterinarians, hairdressers and had a visit from a police officer! Officer Mike brought in his K9 dog, Arno, and taught us all about his responsibilities and how he protects our community! We also got to go outside and sit in his car and see the lights and sirens!

This week we also started focusing on improving our self help skills. We began using the big bathroom at the end of the hallway for potty breaks. We practiced taking our shoes and socks on and off. We also practiced taking off our own jackets and hanging them on our hooks in the classroom.
