What we're learning...

This week we learned about all of the different animals on a farm! We played with the farm animal sensory table, gave rubber ducks a bath, and went on a scavenger hunt for farm animals inside a pile of leaves! We talked about how all the animals look and what they feel like. We practiced our animal sounds! We also read some awesome farm books, like When the Leaf Blew In and Do Cows Meow?.

Miss Kristin brought her bunny, Valentino, on Wednesday and we took turns feeding him lettuce and carrots!

Miss Kayla came on Thursday to practice acro and dance with us. Our somersaults are getting so good!

We also had one of our monthly classroom cooking activities this week! For snack on Thursday, we made rice cake pigs using pink frosting and fruit! They were yummy!
