What we're learning...

This week we learned about primary colors and pumpkins! We had the chance to carve two pumpkins, taste pumpkin seeds, pumpkin donuts, and paint a pumpkin using a fork! We read Mouse Paint and Mix It Up and then we mixed primary colors together to make new colors! The kiddos had fun finger painting and exploring the new colors and textures.

Miss Katie came for music class on Monday. She sang us tons of Halloween songs!

Miss Fran came for social skills on Wednesday. She read us a Halloween book and then had the kiddos make a pumpkin head puppet on a popsicle stick. They had to take turns sharing crayons and glue sticks. Miss Kayla came on Thursday for acro. We danced to a new scarecrow song and again practiced our somersaults and log rolls!

We had SO much fun at the farm on Friday! We got to ride ponies, pet bunnies, and play in a giant corn pit! We took a tractor ride and even picked our own pumpkins from the field! Thank you again to all the parents who joined us! We had such a great time!

Classroom Reminders

Family pumpkin projects were due on Friday. Please send them back as soon as possible. We will be saving them and using them for something later on in the school year.

The weather is getting chilly. Please plan appropriately and send in a jacket/sweatshirt. We will still be going outside everyday if possible.
