

Pre-K 4 Awesome News!

March 24th-28th

This Week

We had a nice week learning about the letter 'N'. This week we read the story My 'N' Sound Box, sorted pictures that began with the 'N' sound, sang along to the 'N' poem, and watched the Sesame Street Letter 'N' Podcast. Throughout the week we also learned about the number 16.

We had another fun week filled with lots of community helpers. This week Miss Stephanie and Mr. Gary, Gabby's mom and dad, came in to talk about their jobs. Miss Stephanie taught us about being a school librarian and Mr. Gary taught us how he gets gas to our homes working at National Fuel. On Wednesday, Miss Maddie, from Baked by Burns, came in to teach us how to make chocolate chip cookies. She even brought some for us to taste, they were so yummy! On Friday, Officer Mike, Brynn's dad, and K9 Arno came in to talk to us about how they keep our community safe.

During our craft time this week, we created unique book marks, built houses out of popsicle sticks, and made a stop light. During center time we had fun pretending in all our community helper centers. We built a city with all our houses, read books about different community helpers in the library, checked out groceries at the store, and cooked yummy food at the diner.

On Monday, we had our field trip to Play University. We had so much fun getting to explore all the different rooms they had. Our favorite place to play was in their giant indoor playground. We loved getting to pretend to be some of the community helpers that we have been talking about while we played in the mechanic shop, the space center, construction site and theater!

Looking Ahead

April 4th
Bowling Field Trip
No After School

April 18th
Good Friday
No School

April 21st
Easter Monday
No School

May 2nd
Zoo Field Trip
No After School

Looking Ahead

We will be learning
about dinosaurs.

Letter The Of The
Week
Mm
