June 9th-13th

What we're learning...

This week we talked about our emotions! We started each morning by sharing how we were feeling during circle time! We read two of our favorite books again, Color Monster and The Way I Feel. We learned that it's ok to feel sad, nervous and angry sometimes. We also practiced saying "please" and "thank you". Miss Katie came on Monday, and we sang songs about sharing. We practiced passing around a ball and needed to listen carefully to the song to hear the directions. Miss Kayla came on Thursday, and we danced to all our favorite songs one last time! Thank you to everyone who came to our Father's Day celebrations! The kiddos were very excited and enjoyed all the donuts! Next week we will wrap our school year by talking about summer vacation!
