

# Hoots & Hollers

Week of February 24<sup>th</sup> to February 28<sup>th</sup>

## What We're Learning

## News From the Nest

This week at school we learned about our teeth and how to keep them clean and healthy. During circle time we talked about foods that were good for our teeth and foods that are not so healthy for our teeth and can cause sugar bugs (germs on our teeth that cause cavities). We sang several new songs that showed us how to brush our teeth and also taught us that we should brush our teeth at least twice a day to keep the sugar bugs away.

Some of our fine motor centers this week included making a smile mouth with marshmallow teeth, covering a tooth in cotton balls, and we also practiced brushing a giant tooth with shaving cream and a toothbrush!

On Friday, Miss Chelsea, a dental hygienist, came in and talked to our class about our teeth. She showed us how to brush our teeth and talked about how to keep them clean.

Stories this week included: Curious George Goes to the Dentist, Time to Brush Your Teeth, Just Going to the Dentist, and Dentist Trip, Loose Tooth Drama, The Tooth Book, and The Big Tooth Mystery.

Next week we will be celebrating and learning about Dr. Seuss! There will be no new letter next week. When it is your child's show & share day, they may bring in anything they would like.

## Upcoming Events

**March 3<sup>rd</sup> to March 7<sup>th</sup>**  
**Dr. Seuss Spirit Week**

**March 17<sup>th</sup>**  
**St. Patrick's Day**

**Monday, March 24<sup>th</sup>**  
**PlayU Field Trip**

**\*More Information to come home soon\***

## Reminders

As the weather is getting colder, please remember to send in with your child a jacket, hats, gloves, and boots (if you would like) for when we go outside. You may also want to send in a sweatshirt as it can get chilly in the building.
