## May

May 26<sup>th</sup>- May 30<sup>th</sup>

### What we're learning...

This week we reviewed all the colors we learned throughout the year! Our favorite book this week was Colors pop-up peekaboo!

On Tuesday, we released our butterflies outside and had the chance to hold them on our fingers!

On Wednesday and Thursday, we had glow parties in the classroom! We played with light brights and light up cars. Also, we used glow in the dark face paint and turned all the kiddos into cats! We had a dance party with black lights and glow balloons. It was so much fun! Miss Kayla came on Thursday, and we danced to our favorite songs. The kiddos love the *Elmo Slide* and *The Chicken Dance*! On Friday, we worked on improving our fine motor skills by lacing with noodles! We also enjoyed lots of fresh air!
