

# Hoots & Hollers

Week of April 7<sup>th</sup> to April 11<sup>th</sup>

## What We're Learning

## News From the Nest

This week at school we learned about dinosaurs. Each day, we read stories about the different types of dinosaurs there are, talked about what each one looked like, and sang a few new fun songs about dinosaurs.

In centers this week we played in the sensory table which was filled with kinetic sand and dinosaur bones, we stamped dinosaur footprints in play-doh, and played with dinosaur figures.

Some of our fine motor crafts included painting dinosaurs inside of a plastic Ziploc bag, creating a dinosaur footprint collage, and a making a dinosaur out of a paper plate. We also made trees out of the letter of the week, "T".

Stories this week included: How to Catch a Dinosaur, How Do Dinosaurs Say I Love You?, Dinosaur Adventure, Too Many Dinosaurs, and Goldilocks and the 3 Dinosaurs.

Next week we will be talking about the upcoming Easter season, the Easter Bunny, and more! Due to the short week, there will be no new letter of the week. When it is your child's show & share day, they may bring in anything they would like.
