What we're learning...

This week we learned about dinosaurs! We made fossil imprints in salt dough, and we painted with dinosaur feet! Our favorite book this week was *How to Catch a Dinosaur*.

Miss Katie came on Monday and sang us some new spring songs about tadpoles and frogs.

Miss Kayla visited on Thursday, and we danced to the *Elmo Slide* and *Baby Shark*. We also worked on our tumbling and frog jumps using carpet circles.

Thank you again for all the support and attendance on the zoo field trip! We all had such a great time and loved seeing the animals!
