May

May 5th- May 9th

What we're learning...

This week we learned about bugs! We made a ladybug and firefly during craft time! We watched the caterpillars crawl around their jar and eat. On Friday morning, two caterpillars surprised us and were hanging from the top of the jar, inside their cocoons! We can't wait to see them turn into butterflies! Our favorite book this week was The Grouchy Ladybug.

Miss Katie came on Monday to sing and dance with us! Miss Carly visited on Friday to read us some jungle books from the library! We also made a bug hotel!

Thank you again to all the moms and grandmas who attended our Mother's Day parties! We loved celebrating with you!

Classroom Reminders

Please try to only send in toys/items for show and share with your kiddos on their assigned day of the week. We are noticing that the kids are getting upset that they can't show all the items they are bringing in. Also, please make sure everything is labeled.
