### What we're learning...

This week we learned more about ocean animals! We made handprint crabs and painted rainbow fish with celery! We read The Rainbow Fish and learned about the importance of sharing with our friends. Mrs. Sugar came in with her family to visit and celebrate Theo's birthday on Wednesday. She sang us a bunch of new songs and we got to play with a parachute! On Thursday, we worked on developing our gross motor skills by jumping on the trampoline and walking on the balance beam! Next week we will learn about pirates, mermaids and dental health!
