What We're Learning

News From the Nest

This week at school we finished talking about helpers in our community. We focused this week on firefighters, bakers, and nurses. We have learned about so many different jobs over the last month!

On Wednesday, we put on our baker/chef hats and made no-bake cookies in class! Together, we added graham crackers, sun butter, bananas, and chocolate chips to make a delicious treat that we all enjoyed with our lunch.

At the end of the day on Thursday, Emma Taylor's mom, Miss Shaina came into our classroom to talk to us about being a nurse. She taught us what it means to help someone when they were sick and told us how she takes care of people.

Some of our fine motor crafts included making a fireman, decorating the letter "S" with stickers, and making a chef! We also introduced a couple of new centers this week: the mail carrier center and the construction center with tools!

Stories this week included: Going to the Dr, People Who Help Us: Firefighters, Peppa Loves to Bake, The Grumpy Ladybug, and Community Helpers.

Next week we will be learning about fairy tales. There will be no new letter of the week. When it is your child's show & share day, they may bring in whatever item they'd like.
