

# Hoots & Hollers

Week of June 9<sup>th</sup> to June 13<sup>th</sup>

## What We're Learning

## News From the Nest

This week at school we finished talking about summer. We also worked hard practicing for our Father's Day celebration that we had this week, as well as continuing to practice our songs for Moving Up Day.

We were able to get on the playground and run around outside in the grass a lot this week! The kiddos love being outside and playing with each other!

On Thursday, we were able to celebrate all of our dads! We are very thankful for all of you and everything you do for your kiddos! We hope you enjoy your special day on Sunday!

Some of our fine motor crafts this week included making more special presents for our dads for Father's Day, using a q-tip to paint a beach ball, and making a sun mobile!

Next week we will be getting ready for our Moving Up Day performance!

This will be our last newsletter of the school year. Thank you all for a wonderful year and we wish you the best this summer!

## Reminders

Please remember to send in with your child a jacket, hat, and boots (if you would like) for when we go outside. You may also want to send in a sweatshirt as it can get chilly in the building. ☺
