

Pre-K 4 Awesome News!

February 17th-21st

This Week

We had a rad week learning about the letter 'R'. This week we read My 'R' Sound Box, listened to an 'R' poem, sang along with the Story Bots, and watched the Sesame Street Letter 'R' Podcast. During circle time we also learned about the number 11. The kiddos are doing a great job learning their numbers!

This week we learned about different animals that live in the ocean. Throughout the week we talked about sea turtles, seahorses, and different kinds of fish. During our story time we read lots of stories about each of the animals including Mr. Seahorse and Fish is Fish.

During our Social Skills time we read the story The Rainbow Fish. In the story, Rainbow Fish is not very nice to his other friends when they ask him to share his scales. By the end of the story, Rainbow Fish learned that it is nice to share and it makes both you and your friends happy. Throughout the week we continued to read different stories with Rainbow Fish and his friends, where we learned how to take turns, share, and work together.

During center time, we had fun exploring in our lights out centers, building with blocks, putting together puzzles, driving cars on our town carpet and reading books in the library.

Looking Ahead

March 17th
St. Patrick's Day

March 24th
Play U Field Trip

Looking Ahead

We will be
learning about
pirates, mermaids
and dental health.

Letter The Of The
Week
