

Pre-K 4 Awesome News!

April 14th-18th

This Week

We had an egg-cellent week learning more about the letters "A" and "B". This week we read The Adventures of Abby Alligator and Bubble Bear. We also listened to a new sound song for each of the letters. We even had the chance to play Pinko where we had to identify if our chip landed on the letter "A" or "B". We also learned about the number 19.

This week was full of a lot of egg-citing events. Throughout the week we learned about Easter and the Easter Bunny. Throughout the week we created Easter eggs out of cardboard and noodles, painted an egg with water color paints, and designed several eggs using paints and markers.

On Wednesday, we had a very egg-stravagant day. First, we had a visit from Mr. Buttons the Easter Bunny. We had fun singing and dancing around the room with him. Before he left, we went outside and found golden Easter eggs hidden on the playground for us. After our egg-tremely fun visit with Mr. Buttons we ventured to the Grand Island Library to visit Miss Carly where we had an awesome Glow Party! We had fun painting our faces to look like bunnies and kitties, dancing with scarves and glow sticks, and singing to some awesome techno versions of our favorite songs.

During center time, we had fun playing Pop Up Rabbit, exploring in our Easter sensory bin, building with Legos, and making fun spring designs with the tangrams on the light board tables.

Looking Ahead

April 18th
Good Friday
No School

April 21st
Easter Monday
No School

May 2nd
Zoo Field Trip
No After School

Looking Ahead

We will be learning
about Earth Day and
keeping our
environment clean.
