

# Hoots & Hollers

Week of May 5<sup>th</sup> to May 9<sup>th</sup>

## What We're Learning

## News From the Nest

This week at school we continued talking about animals that we see in the zoo. We also talked about the spring weather, and of course, our moms!

On Thursday, Miss Kayla came in for Acro. The kiddos really enjoyed singing, dancing, and tumbling with her!

To celebrate our moms, on Thursday we had a special afternoon with manicures, donuts, fruits, and mocktails!

Thank you to all of the moms and special friends who attended. All of the kiddos were so excited to show you how hard they worked to prepare for this day.

Some of our fine motor crafts included making a snake, special Mother's Day presents, and a volcano out of the letter "V".

Stories this week included: I Love You Mommy, The Greedy Python, You Are My Happy, Monkeys, and Don't Take Your Snake on a Stroll.

Next week we will be talking about caterpillars and butterflies. Our letter of the week will be "W". When it is your child's show & share day, please have them bring in an item that begins with this letter.
