Pre-K 4 Awesome News!

This Week

We had a blast learning about the letter 'B'. This week we listened to My 'B' Sound Box and sorted pictures out of our own sound box that started with the letter 'B'. Throughout the week we sang along with the Story Bots, watched the Sesame Street 'B' Podcast and listened to a 'B' poem. Our numbers this week were 9 and 10.

This week we learned about Valentine's Day and love. During circle time, we read many stories about love and how we can show everyone that we love them in different ways. Some of the stories we read were A Spot of Love at Valentine's Day, Big Hugs, Little Hugs, There was an Old Lady Who Swallowed a Rose, How to Help Cupid, and Franklin's Valentine. During our craft time, we had fun finding hearts when we painted with water color paints, creating a Valentine's Day windsock and painting a heart shaped ornament.

On Thursday, we finished up our collage inspired by Jean-Michel Basquiat. Miss Bonnie taught us how to paint a dinosaur that we added on top of our painted collage.

On Friday, we had fun celebrating Valentine's Day with all of our friends. At our party we created our own special Valentine's Day crown, made strawberry parfaits, read stories, sang songs and played a game where we had to balance Valentine's Day candies on a popsicle stick! We had so much fun seeing who could get the most candies without them falling down.

Looking Ahead

February 17th
Presidents' Day
No School

March 17th
St. Patrick's Day

March 24th
Play U Field Trip

Looking Ahead

We will be
learning about
ocean animals
