

Hoots & Hollers

Week of Oct 6th to Oct 10th

What We're Learning

News From the Nest

This week at school we learned about fire safety. Each day during circle we talked about what to do in case of an emergency, how firefighters help us, and we also learned what number we should call if we need help and are in trouble (911). Our word of the week was "brave". We talked about what it means to be brave like a firefighter.

During centers this week we made a firetruck out of shapes, decorated the numbers "911" with tissue paper, fingerpainted a shirt that helped us to remember to "Stop, Drop, and Roll" if our clothes are ever on fire. We also painted a fire using the colors red, yellow, and orange.

On Tuesday, Miss Renee talked to our friends about how to keep a calm body. We talked about why it is a safe idea to keep our bodies calm. We practiced lining up and keeping our bodies calm and still while walking around.

Stories this week included: I'm Brave!, Fire Engines, Pete the Cat: Firefighter Pete, Going to the Firehouse, Corduroy Goes to the Fire Station, A Very Busy Firehouse, Fire Safety, Fire! Fire!, and Stop, Drop, and Roll.

Next week we will be learning about apples and pumpkins. We will be doing several fun activities that include both fruits.

For show & share, your child may bring in any item they would like. (Please remember, the item should fit in your child's backpack)

Upcoming Events

Monday, October 13th
Columbus Day Holiday, NO SCHOOL

Friday, October 17th
October Book Orders Due
Field Trip Permission Slip Forms Due

Friday, October 24th
Field Trip to Kelkenberg Farm
NO AFTER SCHOOL

Reminders

As the weather is getting cooler, we ask that you send in with your child- a jacket or light sweatshirt and appropriate footwear for when we go outside.
