

Pre-K 4 Awesome News!

May 5th-9th

This Week

This week we learned more about the letter's "G" and "H". Throughout the week we read Gorilla Be Good and Hide-and-Seek Hippo. After we read the stories, we practiced reading the letter poems and finding the words that started with each letter.

This week we began learning about the rainforest and jungle. Throughout the week we learned about elephants, giraffes, and parrots. During our story time we read Elmer the Elephant, Giraffes Can't Dance, and Polly the Problem-Solving Parrots. During our craft time, we had fun completing an Elmer color by number, a giraffe headband and our own unique problem-solving parrots. Throughout the week we had fun dancing like animals to some amazing Danny Go songs: Mixed Up Animals and So Many Animals.

During center time, we had fun exploring in the jungle center, building with blocks, coloring with highlighters under blacklights in our lights out centers, reading jungle books in the library, and coloring during free art!

This week we also celebrated Mother's Day. Throughout the week we listened to many songs about why we love our mommy and why our mommy loves us. All week we practiced singing You Are My Sunshine in preparation for our Mother's Day Party on Friday. We were so excited to share our song with our moms, do a craft, and have a tasty treat with them.

HAPPY MOTHER'S DAY!!

Looking Ahead

May 27th
End of the Year
Conferences

May 30th
Art Show
NO AFTER SCHOOL

Looking Ahead

We will be learning
about bugs!
