What We're Learning

News From the Nest

This week at school we talked about St. Patrick's Day and community helper jobs! Each day during circle, we sang silly songs about leprechauns, read stories about St. Patrick's Day, and played games with pots of gold!

We also talked about jobs within our community and had several visitors come in and talk to our class about their jobs. In the afternoon on Tuesday, Letti's mom, Mrs. Brennan came in to tell us about her super fun job working with kids! She brought a basketball net and a fun slide for us to play with! On Wednesday, Mr. Crawford, along with two of his friends from the Grand Island Town Highway Department, came into our class to talk to us about their job working for the town. They read two stories to us about using snowplows. When they were finished, went outside and explored a snowplow! The kiddos loved this! To end our week, Charlie's mom, Mrs. Hamilton came in to tell us what it's like being a teacher. Wyatt's dad (Mr. Faulks) and Maverick's dad (Mr. Mawyin) also came in on Friday to tell us what it means to be a Border Patrol Officer.

Some of our fine motor centers included making leprechaun hats with rainbow stripes, painting a clover using green puffy paint, practicing counting with gold coins we found from the leprechaun, and decorating a police car.

Stories this week included: The Gingerbread Man and the Leprechaun on the Loose!, There Was an Old Lady Who Swallowed a Clover, 3 Ways to Trap a Leprechaun, Peppa Loves St. Patrick's Day, and Police Officer.

Next week we will be learning about jobs in our community. Our letter of the week will be "R". When it is your child's show & share day, please have them bring in something that begins with this letter.
