

Pre-K 4 Awesome News!

February 24th-28th

This Week

We had a kool week learning about the letter "K". Throughout the week we listened to the Sesame Street "K" Podcast and our K poem. During circle time, we read My 'k' Sound Box and sorted pictures from our own letter box. This week we also learned about the number 12.

Throughout the week we learned about pirates and mermaids. We had fun singing songs about pirate ships and counting mermaids. During story time we read There Was and Old Pirate Who Swallowed a Map, How to Talk Like a Pirate, How to Catch a Mermaid, and Mermaid Sisters. During craft time, we had fun creating a pirate chest full of gems and gold, and our very own mermaid sea crowns.

This week we also learned about dental health. Throughout the week, we read different stories about keeping our teeth and bodies healthy. On Friday, Miss Chelsea, a dental hygienist, came in to talk to the kids about visiting the dentist. We had fun listening to her stories, meeting her pet dragon, learning how to brush our teeth and sorting healthy and unhealthy foods.

During center time, we had fun putting together a mermaid puzzle, playing with pirate ships, digging for treasure in our sensory bin and pretending to be dentists with our dentist kit!

On Monday, we ventured outside to climb and sled down all the fun snow hills.
