

# News From The Twos

## March

March 3<sup>rd</sup>-7<sup>th</sup>

### What we're learning...

We had so much fun this week participating in Dr. Seuss spirit week! We read tons of Dr. Seuss favorites, including Green Eggs and Ham and Ten Apples Up On Top! We also had a special green eggs and ham snack on Thursday!

On Monday, Miss Katie came to sing and dance with us. We love when she brings her Wheels on the Bus pop up book and sings to us as she reads!

Miss Carly, from the library, came to read to us on Friday. We learned about some different community helpers and then did a fun sticker activity!

Throughout this week, we practiced name recognition. We colored yellow stars with our first initial for our name tags on the wall. We also worked on improving our self-help skills by practicing taking our shoes and socks on and off! This gave us a chance to count our toes too!

### Important Dates

Monday, March 24<sup>th</sup>-Play  
University Field Trip

### Classroom Reminders

Please remember to send in only one item for show and share. We have limited time allotted for share time and multiple kiddos to get through everyday. The kiddos enjoy interactive toys and stuffies (please no books).
