

Pre-K 4 Awesome News!

May 26th-30th

This Week

This week we learned more about the letters "M", "N", "O" and "P". Throughout the week we read Monkey's Miserable Monday, The Nicest Newt, Olive the Octopuses Day of Juggling and Pigs Picnic. After we read each story, we had fun reading the letter cheer for each letter, practicing making each letter sound while singing the letter sound songs, and sorting pictures that started with each of the letters.

This week we learned all about plants and flowers. Throughout the week we learned that flowers start off as seeds, grow roots down into the soil, soon a shoot/seedling grows towards the sun and then the plants grow leaves and flowers. Throughout the week we read many stories about different types of flowers. One of our favorites was Nobody Hugs a Cactus. During our craft time this week we made our own 3D cactus out of toothpicks and pool noodles. We also had the chance to make a beautiful flower wreath using paper plates and cupcake liners.

During center time, we had fun putting together puzzles, exploring in the jungle, reading books in the library, building gardens out of flowers, building with blocks and playing in all of our fun glow light centers.

On Friday, we had fun celebrating a year's worth of Art Class with Miss Bonnie at our Annual Art Show Ice Cream Social Fundraiser. Thank you to everyone who came out to support the event and your kiddos for all their hard work this year. A special shout out to Miss Bonnie for all of her hard work teaching the kiddos about some amazing artists.

Looking Ahead

We will be learning about outer space.

Looking Ahead

June 13th
Dads & Donuts
2pm-2:45pm
