February

February 3rd- 7th

What we're learning...

This week we learned about Valentine's Day, the feeling of love and the heart shape! We read The Love Monster and made our own monsters with paper plates and red tissue paper. We also color sorted with conversation heart candy and heart popsicle sticks. On Monday and Tuesday, we had glow centers! We turned off the lights and played with glow boards, glow monster trucks and light bright boards! The kiddos had so much fun!

On Thursday and Friday, we had our Valentine's Day parties! The kiddos decorated their own bags for valentine cards with heart stickers! We also had a special snack! The kiddos loved trying strawberry milk and that it was the color pink! Thank you for all the party supplies and the volunteer support in our classroom!
