Pre-K 4 Awesome News!

This Week

We had an excellent week learning about the letter "E." This week we read *My 'e' Sound Box*, listened to the letter "E" Sesame Street Podcast, sang along to our letter "E" Poem, and built the letter "E" using our blue mat and sticks.

To get ready for Halloween, we began learning about spooky things. We learned about haunted houses, witches brew, spooky forests, and spiders. Throughout the week we completed two science experiments mixing a witch's brew that made slime and mixing ingredients together in cauldrons to make bubbly witch potions! During our craft time we made spooky forests, our own unique haunted houses, and a colorful night sky behind a spider web.

On Monday, Miss Erika came in for Kiddosizing and let us ride her witch's broomstick all around the room jumping over obstacles. On Wednesday, Miss Fran came in for Social Skills. Together we worked on telling a story about going trick-or-treating through a spooky town where we met lots of Halloween characters who gave us our favorite candies. Our favorite part was arriving at the Haunted House for a Halloween party with all the friends we made along the way. After, Miss Fran taught us a song called "Pass the Witches Broomstick"

On Friday, we ventured out to Kelkenberg Farm! The kiddos had a blast picking pumpkins, riding ponies, exploring the barns, and petting all the animals that we talked about during our farm unit. Thank you to all the chaperones who came out to make the field trip a great success!

Looking Ahead

October 31st

Halloween Trunk-Or-Treat
NO AFTER SCHOOL

Next Week

Next week we will be
learning about spooky
things and Halloween!

Letter of the Week
