

September 5th-9th

Mr. Ed's Awesome News!

This Week

We had a great first week of school! Throughout the week we had fun making new friends. During our free time we cooked up some "tasty" meals in the kitchen, built castles with our big blocks, built with Legos, played games and raced cars down the car hill!

During circle time we practiced recognizing our names on our name cards and learned new songs! We had fun practicing our new "Mr. Potato Head Rules" to show that we are ready to learn!

Mr. Potato Head Rules
Our Eyes On The Teacher
Listening Ears
A Quiet Mouth
Hands and Feet to our Own Bodies

This week we learned how to be "Super Friends!" To be a Super Friend, we have to follow 4 simple rules: Ask To Play, Use Gentle Hands, Take Turns and Share, and Calm Down with 3 Deep Breaths! After we learned our rules, we had the chance to become a Super Friend by making our very own uniquely designed super hero mask!

Looking Ahead

Color Week
September
19th- 23rd

September 30th
Picture Day

Next Week

Next week we will be learning about letters and numbers.
