

Hoots & Hollers

Week of April 8th to April 12th

What We're Learning

News From the Nest

This week at school we talked about dinosaurs. Each day we read stories, sang new songs about dinos, and made fun crafts to go along with our theme!

To begin our week on Monday, we celebrated the eclipse by making special solar eclipse headbands, reading about what takes place during this event, and watching an educational video about what the eclipse would look like. As a special snack we enjoyed special cookies brought in by Cooper's mom, as well as some sun chips, moon pies, and sunny delight juice boxes. It was a super fun day!

Some of our fine motor crafts this week included: making dinosaurs out of paper plates, mixing paints inside a Ziploc baggie to create a beautiful rainbow dinosaur, and making a dinosaur footprint.

On Wednesday for Social Skills, Miss Fran brought in dinosaur eggs and we were able to dig out our own fossils. The kiddos loved this!

Our favorite new center this week was the sensory table which had kinetic sand, shovels, and dinosaur bones in it.

Some of the books we read this week were: Noisy Dinosaurs, One-osaur, Two-osaur, Dinosaur Bones, Dinosaur Stomp, and How to Catch a Dinosaur.

Next week we will be talking about dragons, fairy tales, and make believe. Our letter of the week will be "T". When it is your child's show & share day, please have them bring in an item that begins with this letter.

Upcoming Events

Friday, April 19th

Zoo Permission Slip Forms Due

Friday, May 3rd

**Zoo Field Trip
NO AFTER SCHOOL**

Monday, May 27th

Memorial Day Holiday-NO SCHOOL

Tuesday, May 28th

Final Parent-Teacher Conference

Reminders

Going forward, please make sure your child has all their weather appropriate gear necessary to go outside each day they are at school. Please make sure all items are clearly labeled.
