## We had another great week!

This week at school we talked about wintertime. We learned that wearing winter hats, mittens, scarfs and boots will help to keep our bodies warm when we go outside to play.

On Wednesday, Miss Ilia and Charlotte stopped by to play in our centers with us. Miss Kayla also came in this week to dance and help us with our tumbling. The kiddos love participating in all our specials.

For our craft this week, we practiced our fine motor skills by making winter hats and snow globes. The kiddos are doing a great job using their glue sticks and following directions!

Some of the stories we read this week were Snow, Danny's First Snow, Little Bear's Special Friend, One Snowy Day, and Thomas' Snowsuit.

This month we are working on learning the oval shape and the color blue.
