

Hoots & Hollers

Week of May 9th to May 13th

What We're Learning

News From the Nest

It looks like the weather has finally shifted into warmth and sunshine! We spent so much time outside: on the playground, playing with some new toys in the grass, and even having a picnic lunch! Next week, we will try to have music outside, too!

We continued learning about the zoo this week at school, talking about zebras, pandas, and beautifully colored peacocks.

During our fine motor time we continued working on our scissor skills. Everyone has improved so much with their cutting since the beginning of the year!

We also learned about the letter "V" this week. We made a volcano out of the letter. Our letter of the week story was about a viper named Vera who made her friend a valentine.

Next week we will continue to learn about animals, but we will be moving to the jungle.

Our letter of the week will be "W". When it is your child's show and tell day, please have them bring in an item that begins with this letter.

Upcoming Events

Tuesday, May 17th
Parent-Teacher Conferences
(Sign-Up on ClassTag!)

Thursday, May 26th
Art Show/Ice Cream Social/Basket Auction
No After School

Wednesday, June 22nd
Moving Up Day

Friday, June 24th
