## This Week

This week we learned more about the letters 'C' and 'D'. Throughout the week we read the stories Copycats and Detective Dog and the Disappearing Donuts. We also loved singing along to our new StoryBots songs for each of our letters. At the end of the week, we had fun sorting pictures that started with each letter by using our Plinko board!

Monday was a special day in our class where we celebrated the Solar Eclipse! We learned about how the moon crosses between the sun and the earth, making it feel like night time for a few minutes. For a special activity we made awesome headbands and had a tasty solar eclipse theme snack; **sun** chips, **moon** pies, and **Sunny D**.

This week we learned about fairytales and dinosaurs. Our fairytale theme focused around wolves. We had fun reading and retelling the stories The Three Little Pigs and Little Red Riding Hood. After we read the stories, we were able to make our own story props to help us retell the stories at home. The kiddos did a great job making the scenery and characters from the three little pigs and they loved their brand-new paper bag wolf puppets! During circle time we also learned the nursery rhyme This Little Piggy. The kiddos loved getting to take off their socks and shoes to sing along with their little piggy toes.

During our play time we had fun exploring in our sand table, building castles with our blocks, getting loud as we pretended to be dinosaurs.
