

Pre-K 2 Newsletter

January 30th – February 3rd

We had a great week!

To end the month of January, wrapped things up by talking about winter and snow. We had fun painting snow with watercolors and making snowflakes using tissue paper.

On Monday, Miss Katie came in. The kiddos loved when she brought out her rhythm sticks for us to use while we were singing.

On Wednesday, Miss Ilia and Charlotte came by to play in our centers with us. Everyone laughed as they watched Charlotte trying to fish while we were playing our fishing matching game.

On Friday, Miss Carly came in to read and dance with us. The kiddos really enjoy our time with her.

Some of the stories we read this week were Penguins Love Colors, Just A Snowman, Let's All Sing Together, Mouse's First Snow, and Let's Say Our Colors.

Next week we will start learning about the color purple and the heart shape.
