

# Hoots & Hollers

Week of November 15<sup>th</sup> to November 19<sup>th</sup>

## What We're Learning

## News From the Nest

We began our week at school by learning all about our new letter, "F". Each day we talked about words that began with the letter, practiced making the "F" sound, and shared items from home that started with this letter. We learned a silly song about 5 fast fishes that we practiced every day! During circle time we read a story about a ferret named Fifi who lost her flute. The kiddos were amazing at showing the different expressions that Fifi felt throughout the story (excited when her dad gave her the flute, sad when she lost it, and happy when her friends helped her find it again).

In addition to learning our new letter, we also began talking about Thanksgiving. We started by talking about what harvest fruits and vegetables are. During our fine motor craft time we created cornucopias. On Thursday, we made corn using construction paper, glue, q-tips, and paint!

Charlotte came to visit us this week on Wednesday. She really enjoyed playing in centers with all of us.

Next week, we will be reviewing all of the letters we have previously learned, letters A-F. Your child can bring in anything they would like for show and tell. It does not have to match a specific letter.

## Reminders

With the weather getting colder, please remember to send in a jacket, hat, gloves, and appropriate footwear with your child every day.

We are still trying to get outside as much as possible.

Please remember to send your child in with a mask daily!
