

Circle Time

During circle time this week, we read, Godilocks And The Three Bears, The Three Little Pigs And The Big Red Dog, and Voices Are Not For Yelling. This month we are working on the diamond shape and the color yellow.

Centers

The kiddos had fun making crazy faces on Mr. Potato Head this week. In our dramatic play center, we had a blast dressing up and pretending to be superhero's, The kiddos really enjoyed putting the block and car center together by making a long ramp with the blocks so that our cars could drive across it.

Specials

Miss Katie came in to sing with us this week. She taught us a new Earth Day song and dance. We were excited when Charlotte came in and played dress up with us. We also had fun dancing and pretending to be different animals with Miss Kayla in Acro this week.

Crafts

During craft time we made Goldilocks and the three bears hand puppets. First, we colored our bears and Goldilocks, then we cut them out and glued them onto popsicle sticks. We also made popsicle stick pigs.
