

# Hoots & Hollers

Week of October 11<sup>th</sup> to October 14<sup>th</sup>

## What We're Learning

## News From the Nest

Even though this week was short, we still had a lot of fun and learned so much about fire safety!

On Tuesday, the Grand Island Fire Company stopped by with their fire trucks to teach us all about being a firefighter. The kiddos were all so excited to explore the trucks and to spray the hose!

During circle time this week we learned that if we are ever in trouble or we see a fire, we should call "9-1-1". We practiced this at school all week long and even made a special poster to bring home to help us remember the number. We also discussed that if we see a fire or smell smoke, we should find a safe place to go to outside. Finally, we talked about what we should do if we ever had fire on our bodies. We learned that we should: "stop, drop, and roll". We practiced this as a class.

On Thursday, Miss Bonnie came into our class and we made a really fun art project with her!

To end our week, Miss Carly visited our classroom to read stories and make a fun pumpkin craft with us!

Next week we will be talking all about pumpkins. Our first week of show & tell will begin on Monday. Your child may bring in an item of their choosing for our first week.

## Upcoming Events

**Monday, October 17<sup>th</sup>**  
**October Book Orders Due**

**Wednesday, October 19<sup>th</sup>**  
**Kelkenberg Farm Field Trip**

**Monday, October 31<sup>st</sup>**  
**Halloween Trunk-or-Treating & Party**  
**1:45pm to 2:45pm**

## Reminders

With the weather beginning to cool off, please remember to send in a light jacket/sweatshirt with your child as we will still be trying to get outside as much as possible.
