Stories

This week we read, It's Pumpkin Day Mouse, Five Little Pumpkins, The Halloween Play and Be Care and Share.

Center

In centers this week we played with Puzzles, Peg Boards, Dinosaurs, Play-doh, and Legos.

Special

We sang a spooky Halloween song about spiders with Miss Katie in Music and at the end of the song pretend spiders came jumping out of a box. The kiddos loved it. We also had so much fun at our Halloween parties and "Trunk-or-Treating".

Crafts

We made mummies this week by dumping white paint on our paper then putting it into a container with marbles and shaking it all up. We also made bats out of paper plates and decorated our take home pumpkins.
