

Hoots & Hollers

Week of January 30th to February 3rd

What We're Learning

News From the Nest

This week at school we began talking all about the ocean in preparation of our upcoming field trip to the aquarium in two weeks. Each day we learned new songs, read stories about fish, sharks, and other ocean animals, and played in ocean-themed centers!

Two new centers we incorporated into our classroom this week were ocean puzzles and a fish/sea creature filled sensory bin. The kiddos loved playing in soapy water as they let their fish, seahorses, dolphins, and more swim all around!

Some of our fine motor crafts this week included making an anemone and a starfish using cheerios!

We learned a few new songs this week, including: "Animals in the Ocean", "Danny Go Explores the Ocean", "Let's Go to the Beach", and "Under the Sea
b bvbbbb bnnbn".

Next week we will take a pause from learning about the ocean and talk about dental health. Next Friday, we have a special dental health presentation that the kiddos will really love!

Our letter of the week will be "L" next week. When it is your child's show and tell day, please have them bring in an item that begins with this letter.

We will head back to the ocean and learn even more after Valentine's Day!

Upcoming Events

Friday, February 10th
Aquarium Permission Slip Forms Due

Tuesday, February 14th
Valentine's Day Party
(1:45pm to 2:45pm)

Friday, February 17th
Aquarium Field Trip- NO AFTER SCHOOL

Monday, February 20th
Presidents' Day- NO SCHOOL

Reminders

As it gets colder, please remember to label ALL coats, hats, gloves, and boots as you are sending them in. Several students have items that look very similar to each other, so to avoid all confusion, it is easiest if everything is labeled.
