## We had an awesome week!

We had fun in all our centers this week. In our animal center, we pretended to be lions and bears jumping over big mountains that we built out of blocks. We also really enjoyed drawing on our doddle pads and taking care of all our stuffed animal babies in our vet center.

For craft time, we made rainbow circles. Using all the colors of the rainbow, we glued together different size circles. The kiddos are doing a great job using their glue sticks!

We also used bubble wrap to paint our strawberries, which we have hanging up on display in our classroom.

During Social Skills on Tuesday, Miss Fran came into our classroom to help us learn how to share with our friends. We practiced taking turns and using our manners.

On Wednesday, the kiddos were excited to go outside and play on the playground with Miss Ilia and Charlotte.

Some of the stories we read this week were Eating the Alphabet Fruits & Vegetables, Penguins Love Colors, The Wing On A Flea, Let's Say Our Colors, and The Crayon Box that Talked.

This month we will be learning about the color red and the circle shape.
