Week of September 19th to September 23rd

What We're Learning

News From the Nest

This week at school we began learning the calendar routine during circle time. We focused on learning several songs this week, including: "The Days of the Week", "The Months of the Year", and "The Counting Song". The kiddos did a great job learning all about the calendar. Going forward, this will be a part of our daily schedule.

On Wednesday, Miss Ilia came in with Charlotte and played with us during our centers. We really love when they are here with us!

During Acro on Friday, Miss Kayla helped us with our tumbling and rolls! We have fun dancing along to the music with her when she comes to visit.

Next week we will begin talking all about ourselves! We will also discuss what makes each of us unique and special.
