We had a great week!

Hello! Welcome to our Pre-K 2 Class!!!

We had another busy but fun week! The kiddos are all adjusting well to our schedule. This week we loved using our toy dinosaurs to make different footprints in our play-doh. We also had fun stamping all different shapes onto our doddle pads and making silly faces on Mr. Potato Head. For crafts this week we made circle colleges and Elmo faces. The kiddos did a great job gluing! During Music with Miss Katie the kiddos loved meeting her stuffed dog Rocky and giving him lots of hugs and high fives. Miss Ilia and Charlotte, our therapy dog came by to read a story and play outside with us. The kiddos did an awesome job using gentle hands petting Charlotte and loved getting kisses from her. We also did a great job dancing and tumbling with Miss Kayla during Acro. During Storytime this week we read A Friend Like You, Ilama Ilama Time to Share, All By Myself and Five Little Crayons.
