

Hoots & Hollers

Week of October 17th to October 21st

What We're Learning

News From the Nest

This week at school we learned all about the farm! We talked about farm animals, food on a farm, farm tools, vehicles on a farm, and people on a farm!

We read several stories this week, including, The Big Red Barn, Farm Animals, Old MacDonald Had a Farm, Seasons on a Farm, and Food on the Farm.

On Monday, Miss Katie came in to sing and dance with our class. We got to use our birdie beaks to catch some bubbles. Our favorite parts of music are when we get to play and sing with Jazz and Rocky!

Our field trip to Kelkenberg Farm was so exciting! We loved going on the hayride, petting all of the animals, and getting to pick our own pumpkins!

Next week we will be talking all about pumpkins. We will begin an experiment next week after we carve our pumpkin. In this experiment, we will watch our pumpkin as it changes once it's been carved, we will see it decompose and then begin to grow again. It's going to be very exciting!

Just a reminder, that show & tell starts Monday. Your child may bring in an item of their choosing for our first week.

Upcoming Events

Monday, October 24th
Show & Tell Begins

Monday, October 31st
Halloween Trunk-or-Treating & Party
1:45pm to 2:45pm

Reminders

With the weather beginning to cool off, please remember to send in a light jacket/sweatshirt with your child as we will still be trying to get outside as much as possible.
