

Pre-K 4 Awesome News!

This Week

We had a jazzy week learning about the letter “J”. This week we read Jaguar’s Jungleberry Jamboree. In the story, Jeremy Jaguar loved eating jungleberry jam. When he ran out of jam, he jumped in his jeep to join the other jaguars making jungleberry jam at the jamboree. Throughout the week we listened to our Sesame Street J Podcast, the letter “J” sound song, and practiced saying words from our “J” picture card.

Miss Erika joined us this week for Kiddosizing. We had fun learning how to skate with paper plates. We even had the chance to have a snowball fight with our soft snowballs. We had fun trying to hit the snowman as he popped up over the snowy hill in different places.

Throughout the week we learned about snowmen. During our center time we used white playdoh and snowman pieces (hats, buttons, sticks) to build our very own snowmen in different sizes and shapes. During craft time we turned ourselves into snowmen by coloring hats, scarves, buttons, and adding cotton to represent snow on our snowman bodies.

During circle time we learned all about polar bears. We learned that polar bears love the cold weather and their bodies are made to keep them warm. During our craft time we used a fork to paint a very hairy polar bear and made a polar bear puppet out of a white paper bag.

This week we finally had the chance to get back outside and play on the playground. After we read the story The Jacket I Wear in The Snow, we all worked hard to dress ourselves in our snow pants, boots, hat, jackets and mittens. It was so fun to get outside and run

Looking Ahead

January 16th
Martin Luther King Jr
Day
NO SCHOOL
January 27th
Hawaiian Day
February 14th
Valentine’s Day Party
February 17th
Aquarium Field Trip
No After School

Next Week

We will be learning about arctic animals.
