Week of January 2nd to January 6th

What We're Learning

News From the Nest

To start off the new year at school, we talked all about snow. I thought it would be a good subject to learn about since we all received so much over the holiday break! This week we specifically focused on something fun we like to make in the snow: snowmen!

On Tuesday we created snowmen heads to decorate our January bulletin board in the hallway. The students did a great job following directions when using their glue sticks and bingo dabbers! During craft time on Thursday, we read a story about a snowman and when we were finished, we made a melted snowman! The kiddos really enjoyed doing this.

Charlotte came to visit us on Wednesday and played pegs with us. Miss Iliia helped us to stack a really tall tower! It was so much fun!!

On Thursday, Miss Bonnie came in for art. Our class is always so happy when she is here. We love making creations with Miss Bonnie!

Next week will be continuing to talk about the winter season, focusing on what we wear in the winter. Our letter of the week will be "H". When it is your child's show and tell day, please have them bring in something that begins with this letter.

Reminders

As it gets colder, please remember to label ALL coats, hats, gloves, and boots as you are sending them in. Several students have items that look very similar to each other, so to avoid all confusion, it is easiest if everything is labeled.
