September 26th - September 30th

We had a great week!

We had an awesome time in all our centers this week. In our kitchen center, the kiddos made Miss Jennie and myself breakfast and it was delicious. We also played in our dramatic play and animal center. In our animal center, we pretended to be bears and lions jumping over big mountains that we made with blocks.

During craft time this week we had fun painting with ice cubes. We also made lady bugs by painting mini plates red and bingo dabbing them black for the spots.

In music with Miss Katie, we had a marching band parade. The kiddos loved using all the different instruments.

On Wednesday, Miss Ilia came in with Charlotte and played with us during our centers. The kiddos thought Charlotte was so silly when she tried to make her paw prints in our play doh.

During Acro on Friday, we had fun with Miss Kayla dancing to our bunny song and learning the chicken dance.

During storytime this week, we read Bear Counts, Just A Little Too Late, How Do Dinosaurs Eat Their Food, Just Go To Bed and Little Critter Numbers.

This month we are working on the circle shape and the color red.

Time
spent **PLAYING**
with **CHILDREN** *is*
never wasted
