

Hoots & Hollers

Week of January 29th to February 2nd

What We're Learning

News From the Nest

This week at school we finished our unit on arctic weather and arctic animals. We talked about the cold temperatures and which animals like to live in these kinds of conditions.

Some of the stories we read this week included: Shh! Bears Sleeping, Winter Things, Polar Bear Paddle, Never Touch a Polar Bear!, Polar Bears, and A Loud Winter's Nap.

During our fine motor crafts, the kiddos enjoyed playing winter matching, winter bingo, and in our snow-filled (cotton ball) sensory bin that was filled with lots of different kinds of arctic animals.

On Monday, Miss Katie came in for Music class. We have been working very hard on sounding out the syllables in our names using rhythm sticks. Everyone is doing such a great job with it!

During our free time on Wednesday, Miss Ilia brought Charlotte in to play with us. Miss Ilia read us a story about polar bears and then we played together in the vet center.

As soon as we saw the sun shining on Wednesday, we decided it would be a great day to go outside! Everyone had such a great time on the playground, soaking up the fresh air!

To end our week, Miss Carly came in to read us several stories about love/friendship and Valentine's Day. She also helped us make a super cute Valentine's Day craft!

Next week we will be learning about dental health. Our letter of the week will be "L". When it is your child's show & share day, please have them bring in something that begins with that letter.

Upcoming Events

Thursday, February 8th
Open House for 2024-2025 School Year
6:00pm-7:30pm
NO AFTER SCHOOL

Friday, February 16th
NO AFTER SCHOOL

Monday, February 19th
Presidents Day Holiday
NO SCHOOL

Reminders

Going forward, please make sure your child has all their winter gear necessary to go outside each day they are at school. Please make sure all items are clearly labeled.
