## Stories

We read Grouchy Ladybug and Little Lion Shares this week. The kiddos are doing awesome sitting and listening to all our stories.

## Centers

In centers this week we played with the teddy bear counters, light boards, Mr. potato head and magnets.

## Specials

In Music Miss Katie taught us songs about shapes, apples and our feelings. We had so much fun singing and dancing with her outside. Miss Ilia and Charlotte came in for story time this week and read Lola Goes to Work. On Friday, we got all our wiggles out dancing around the classroom with Miss Kayla in Acro.

## Crafts

We made Ladybugs and Circle Monsters this week. The kiddos are doing such a great job following along and independently putting their crafts together. We also used corks to stamp red circles on paper.

Picture Day will be September 30th
