

Circle Time

This week during circle time we had fun reading The Winter Wish. It is all about a mouse who makes a wish while shaking a snow globe. We also read Snowballs, and I Was So Mad. This month we are working on the star shape and the color white.

Centers

In centers this week we had an awesome time racing cars on our racetrack rug. We also had a great time in our magnet center trying to pull them all apart after stacking them as high as we could. In our light board center, the kiddos really enjoyed covering the boards up with all our different shapes and watching them light up.

Specials

In Music this week we sang to the book Pete the Cat: I Love My White Shoes. We loved seeing how Pete's shoes kept changing colors but ended up being white again at the end. Miss Ilia and Charlotte came in to visit us. The kiddo's got a kick out of watching Charlotte make her paw print in the play doh. In Acro this week we practiced doing somersaults and log rolls. We loved dancing to the song Sleepy Bunny.

Crafts

During craft time this week we made snow globes. First, we painted white dots all over our snow globe using Q-tips. After we were finished, we glued a picture of ourselves to the front. The kiddos did a great job and had fun using the Q-tips to paint. We also had fun making masterpieces by stamping white paint all over blue paper to make falling snow.
