

# Hoots & Hollers

Week of January 17<sup>th</sup> to January 20<sup>th</sup>

## What We're Learning

### News From the Nest

Hibernation, igloos, flying south for winter, storing food for the spring...these are all things we talked about this week at school. Each day, we discussed the different animals that we see during the wintertime. We also talked about which animals we do not see because they go to sleep for the whole winter.

Some of our fine motor crafts included making igloos, making a home for a hibernating bear, and making a giant mitten with lots of winter animals stuffed inside.

During circle time we read the stories, The Very Cranky Bear, The Mitten, Animals in Winter, I Love Snow, Bear Can't Sleep, and Footprints in the Snow.

On Wednesday, Miss Ilia came in and played with us during centers. She loves to sit in the library and read books to us!

During art class on Thursday, we finished a big project that we have been working on for a few weeks!

Next week we will be warming up the temperature at the preschool and celebrating all things tropical. We will be learning about Hawaii! On Friday, we will be celebrating our week of warm, fun, and sun, by making grass skirts, dressing up in our most tropical clothes, and having a luau party!

Our letter of the week next week will be "J". When it is your child's show and tell day, please have them bring in something that begins with this letter.

### Upcoming Events

Wednesday, January 25<sup>th</sup>  
Book Orders Due

Friday, January 27<sup>th</sup>  
Hawaiian Day

February 1<sup>st</sup>  
Registration Forms for 2023-2024 Due  
(If you need part time and specific days during the week, please return your forms ASAP)

### Reminders

As it gets colder, please remember to label ALL coats, hats, gloves, and boots as you are sending them in. Several students have items that look very similar to each other, so to avoid all confusion, it is easiest if everything is labeled.
