Mr. Ed's Awesome News!

This Week

We had an awesome week reviewing all we have learned this month. Throughout the week we talked about our rules and routines in the classroom. We had fun acting out our social skills stories Siri Spider Selects a Solution, Tucker Turtle, and Super Friend. During circle time we reviewed all of our colors and even learned about two new ones (black and pink).

This week during story time we read A Spot of Love and A Kindness Spot. These stories taught us how to share love and kindness with the people in our lives. As a fun activity we had the chance to partner up and make friendship bracelets. Each kiddos made two bracelets one to keep for themselves and one to design and share with their partner. The kiddos loved sharing their bracelets with their friends.

This week Miss Erika came in for Kiddosizing and we had fun moving and grooving our gross motor muscles on the playground. For Art this week Miss Bonnie taught us about 3D art. Using different wood blocks of different shapes and sizes kiddos were able to design their own 3D art sculpture. We are all very excited to paint them next week!

During center time we had fun building ramps in the block center, playing Potato Head, reading stories in the library and building with Legos. During our outside time we had fun coloring beautiful master pieces in the parking lot with chalk and having free paint time!

Looking Ahead

October 5th
Fire Truck Visit
10am
October 6th
Farm Field Trip
October 9th
NO SCHOOL
October 31st
Halloween Party
NO AFTER SCHOOL

Next Week

Next week we will be learning about farm foods.

Letter of the Week
